

YOU POST A FLYER. YOUR EMPLOYEES SHOW UP.

# EVERYONE BENEFITS!

Each year, we offer you and your employees a selection of forty-five minute educational workshops that are designed to go beyond traditional retirement plan education meetings.

Available exclusively to our clients, the topics being offered in 2010 are:

- **TEACHING YOUR KIDS ABOUT MONEY**
- **PROTECTING YOUR LOVED ONES WITH LIFE INSURANCE**
- **EXAMINING INVESTOR BEHAVIOR**
- **STOCKS AND BONDS: INVESTING BASICS**

- ✓ The workshops can be customized to your needs and schedule, and you can offer any or all of the sessions to your employees.
- ✓ We have found that scheduling the workshops in your meeting space or conference room at the lunch hour works best. Employees need only to Brown Bag their lunch and show up!
- ✓ To schedule sessions at your workplace, email [brownbag@thecommmco.com](mailto:brownbag@thecommmco.com) or call (503) 203-8585. We will provide you with a customized flyer which you can distribute or post for employees.
